RESEARCH INTEREST

Edge Artificial Intelligence

EDUCATION

ShanghaiTech University [\[web\]](#)

B.ENG. in Computer Science and Technology

Shanghai, CHN

September 2023 - Current

– GPA: 3.75/4.0 | Major GPA: 4.0/4.0

– Rank(CS major): 24/173

– Rank(School of Information Science and Technology): 34/266

COURSE PROJECTS

Handwritten Number Recognition [\[code\]](#)

Dec. 2023 - Jan. 2024

Team Leader

A handwritten number recognition project using KNN algorithm based on Raspberry Pi

- Model Training (KNN)
- Photograph Processing (Segmentation, Erosion, ...)
- Using a Digital Display to show the result (Circuits Connecting)

Plants vs. Zombies [\[code\]](#)

May 2024 - June 2024

Personal Project

A PvZ game based on C++ with CMake

- contain basic actions, sunshine, plants and zombies
- having animation for shooting, moving, etc... (e.g. Pole Vaulting Zombie)
- treat everything as a GameObject (mother class)
